MESSAGE

Dear Examiner Nickerson,

As we discussed on the phone, I propose holding a personal interview on Wednesday, September 9, to discuss ways of advancing prosecution in the instant case.

Specifically, I would like to discuss calculation of the total metric value as recited in independent Claims 1 and 6 versus the cost table described in Liu, the administrative weights described in Li and the weighting factors described in Chatterjee.

I would also be happy to discuss any issues or concerns you might have.

Please let me know if you are available on the proposed date and time of the interview. Also, please let me know if you need anything further.

Best regards,

Aldo Martinez
